

advent art challenge

Creativity is a great tool to use in your quiet time to connect with God.

December is known as an absolutely crazy season and often times it shows in our relationship with God.

This challenge is designed to get us in the Word, and staying connected with our Heavenly Father.

There's a word prompt taken from scripture and a colour prompt with the meaning relating to the scripture to get your inspiration going. You can combine both or focus on one.

Also feel free to ditch the prompts and go with what the Lord lays on your heart as you create.

There's no pressure and no right or wrong way to go about it.

Time with God and time being creative is the win.
